

School Community Council

February 2, 2017

Salem Jr. High

1. Stakeholder Survey
 - a. Every year the state requires that we give parents an opportunity to give feedback to the school
 - i. Will go out on February 8
 - b. Seeking positive and critical feedback from parents and community
2. Goal 1 from the school improvement plan was passed
 - a. The council maintained the same goal from last year
3. Goal 2 from the school improvement plan was passed
 - a. Committee discussed that websites posted on the school website isn't necessarily a good measure of technology in the classroom
 - i. Change measure to be number of teachers with an online presence for their classroom that includes resources and materials for that class
 - b. Use funds to pay for a digital coach and more technology resources for teachers
 - i. Students have been well funded from emints
 - ii. Digital Coach will track hours they spend coaching teachers
 - c. Fund Canvas instead of Mastery Connect and projectors
4. Goal 3 from the school improvement plan was passed
 - a. This goal remained unchanged from last year
