

## Salem Junior High School School Community Council

Interested parents who want to make a difference in our school can serve on the School Community Council.

Those who serve on the council will have input into the school improvement plan, the use of School Land Trust money, school building needs, and school level policies directly affecting students. The council will meet once each month. The members will serve a two year seat.

Elections are held for the vacant School Community Council positions every spring. The voting will be held by secret ballot in the Salem Jr. High Main Office on a specified date.

Community members are welcome to attend any school community council meeting. They will held at 3:00 at Salem Jr. on November 10, December 1, January 5, February 2, March 2, April 13 and May 4. You may also contact any council member to give input or ask questions.
