

March 8, 2018 SCC Meeting Minutes

Welcome - Rebecca

-Review of upcoming events.

College Week - Cameo

-Goal is to have three years of curriculum, so that each year a student is in school, they will have a different experience.

-College is for everyone and is school and training after high school or in addition to high school (and there are many things students may do while they are in school).

-The hottest stem career is RN degree the second hottest is accounting.

-Electronic escape room activity.

-Extra points for wearing college gear and answering trivia questions.

-Focusing on helping students be aware of the jobs and careers that are out there.

-Amy Bond is doing things to help kids know how pay for college.

Midterm Budget Review - Dave

-For this year, we have 108,000 in our budget. We have spent 54,000 and on track to spend another 50,000. We may have 4,000 left. Some additional money may go towards professional development. Goal is not to have much money left at the end of the year, but to use it to meet our needs.

Safe Routes - Dave

-Last year, SCC members walked the routes and reviewed the routes.

-We will post this on website and send out in August so parents are aware.

-SCC looked at the plans.

-Traffic study was done and they are still in the process of gathering the data. We saw people and traffic counter in the road. Dave will follow up with Dave Gledhill and get the information out to SCC.

-Shelley expressed concern over parking, the drop off situation, and the student drivers at the ALC at the PEAK center (the athletic fieldhouse). Dave suggests contacting (emailing) the principal to make sure he is aware of safety concerns.

-Rebecca signed the form.

SaJHS SCC Membership ad Signature Form 2017-2018

-Dave would like electronic signatures as well as hard copy signatures on the form.

-KJ will email out a correction that Dave would like the electronic signatures.

Thank you!!
