

School Community Council Meeting Minutes
November 10, 2016
Salem Jr. High

- Welcome
- Review Upcoming Events
- Superintendent Council Meeting Report- Jennie Ward and Robert Fleming
 - SCC is expected to submit a plan on how to use Trustland's money
 - Must acquire data as evidence
 - Need to make sure plan is reasonable with the Trustland's budget
 - Property taxes were increased but the portion Nebo receives went down
 - A new bond might be passed soon
 - District is considering changing the grade configuration with the potential money from this bond
 - District provides a survey on the district website for community members to voice their opinions regarding this grade configuration change- however, they must watch an 8 minute video before responding to the survey
- Review Trustland's Final Report - Robert Fleming
 - School will receive \$75,000 from Trustlands this year, plus some left over from last year
 - Trustlands money was able to reduce average class size
 - History from 43 students per class to 33
 - English from 41 students per class to 32
- Discuss the following items– Robert Fleming
 - Safe-use Internet- Tabled till next month
 - Legacy Wall Fundraiser
 - Hoping to receive donations from community to put a legacy wall remembering America's founding
 - Salem Jr. is one of the only schools without this legacy wall
