- Dave discussed that we do have some carryover funds from Trust Lands that we need to decide how we want to use

### **Vote for chair and co-chair**

- Since Rebecca joined us a little late and we had 3 parents for our meetings, we held our election for chair and co-chair
- Rebecca moved that she be chair, Kim seconded it, it was voted for unanimously
- It was suggested by Michael that the co-chair is usually a teacher, and Rachelle moved that she be made chair, Rebecca seconded it, and it was voted for unanimously

### **Other concerns?**

- Cameo mentioned that Community Council has paid for college pennants in teacher's rooms in the past, in order to foster the idea of college readiness, but now there is a need to figure out how to replace them. Maybe a new system? Are they still interested in doing them? We'll add it to the next agenda.

### **Review of upcoming events**

- The bond presentation meeting will be next month. We may still need to hold a short meeting afterward if we need to amend our Trust Lands plan to spend our extra funds. Cecily will check on the requirements and email the council to let them know what we need to do.
- We held short discussion about bond and answered parent questions.

### **Next agenda?**

- Comprehensive Guidance
- Data
- College pennants
- Budget carryover – Rebecca asked that Dave prioritize what he would like to use the money for, he already knows technology is a need
