

Spirit Week Fun!

Written by Elise Riley and Maddie Wall

For Spirit Week (January 22-25) students and faculty dressed up each day to show their school spirit. Wednesday (the 23) was 'Ninja' day or just wear black day. We had a lot of students who participated by wearing black, tying a bandana around their forehead, or by going all out and wearing an awesome ninja costume. Students added a bit of their personality in their ninja outfit, by wearing a bright or multicolored bandana. There were also several groups of ninjas who all wore the same color of bandana or who dressed alike. Thanks to all of the kids who went all out with their ninja outfit to show their school spirit.
