

# Valentine's Dance

By Abigail Hawkins

The Valentine's Dance took place on February 8, 2013 at 7:00-9:00 pm. It was an awesome dance filled with laughter, music, and dancing! I asked two people their thoughts on the dance. This is what they said.

"I absolutely loved it," says the seventh grader Braydon Knapp. "The music was great and it was a ton of fun!"

the eighth grader Katie Stutz announces, "the dance was a total blast! I had a lot of fun hanging out with my friends!"

At the dance, there was a photo booth, a water table, and awesome decorations! The Dj was awesome and played appropriate, fun music. People who didn't come missed out on all the fun! If i had to give advice to the people who came or didn't come, I would say, "Come to the next dance! It'll be just as fun!"
