### Review current school improvement plan

Emily went over the current school improvement plan and referenced current trustlands funding. Parents wanted to know our current goal measurement. Cameo Johnson talked about success in 9th graders gaining credit. Keith talked about end of year testing and how it is hard to motivate students to try on this assessment because it does not correlate to their grade.

### Next Years School Improvement Plan

Academic Needs (admin)-

- Additional FTE's to help reduce class sizes
- FTE to use in our SWIS program to help with tutoring of core subjects
- Technician for our SWIS program
- Classroom Technician to help differentiate and meet needs of students that are in inclusion classes (mainly science and history)
- Success Coaches (formerly Trackers)
- Technician for Wellness Room (might be able to put in TSSA budget)
- Math Lab Teacher
- Chromebooks (Missy)
- Extension for higher level kids (Melissa)

Goal: Increase credit in 9th graders

Goal: Increase test scores

Ideas that correlate:

SWIS (Cameo)
