Mr. Richards discussed changes made to the Trust Lands budget for the upcoming 2022-23 school year. Funds will be used for professional development, hiring of technicians, and Chromebook purchases.

Next Year's Schedule Change

Mr. Richards discussed what the new 7-period schedule will look like for next year. Monica asked for clarification on why the change was made. Mike explained that test scores were not improved and the 75-minute block for this age of student is ineffective. Keith also explained that the current 5x5 schedule is not equitable for all teachers.
