Upcoming Dates:

March 21-23 & 25 - Drama Production of the Lion King

College Week: March 25-29

Spring Break: April 1-5th.

UVU Brain Fair

UVU wants to invite parents and their children to attend their annual brain fair on Saturday, April 6th from 10am-12pm at Utah Valley University in the Liberal Arts (LA) building hallway. The fair will provide an opportunity for children of all ages to learn about the brain, neurons, and our senses through various activity stations set up by UVU undergraduate students under psychology faculty mentorship. This is a great opportunity for parents to engage their children in science education and expand their knowledge about the human brain.

Please refer to the attached flier for more information about the event, and feel free to contact Claudia if you have any questions.

Success in Education (Technology camps)

This year Success in Education is hosting a three-week summer camp for middle, junior high and high school students at the Advanced Learning Center (161 E. 400 N, Salem). This camp aims to equip students with valuable skills in a fun and engaging environment. The program will run from July 8th to July 26th, 2024, excluding July 24th, and will be divided into three exciting subjects:

- **Week 1 (July 8th - 12th): Cybersecurity** - Students will explore the world of digital security, learning the best practices to protect themselves and their information online.
- **Week 2 (July 15th - 19th): Game Development** - Students will delve into the fundamentals of game creation, and experiment by building their own games.
- **Week 3 (July 22nd - 26th, excluding 24th): Career Exploration** - Students will gain insight into various technology fields, meet professionals, and discover their future paths.

To register for the camp - go to:
