Voting:

Chair: Melissa Jorgensen

Co-chair: Cameo Johnson

SCC Packets:

Contact Emily Hiatt if contact information is incorrect.

SCC district training is Sept 28th at 3:30 but the info is

TSSA Plan Update:

Trust lands funding is different than TSSA (teacher student success act). School is in charge of TSSA and SCC is in charge of trust lands but we talk about both because they work in unison.

TSSA has been used for PD, chromebooks, and FTE/technicians.

Trust lands has been used for technicians, trackers, FTE, and SWIS.

Keith explain purpose of SWIS is to help struggling students with behavior and academic improvement without having to enter the child into a behavior unit.

Library Book Review:

All members of SCC are willing to be a part of a library book review. The review committee will read library books and assess whether they are appropriate for junior high students. More information will come later as the district updates us.

Counseling needs assessment and positive behavior plan:

This data shows counseling where to direct their focus. Suicide prevention is done every year. Counseling runs groups, assemblies, classroom presentations, etc. to address the top needs of our school based on this data.

Counseling sought approval from SCC to decide how to promote drug resistance. We are allotted 1000\$ to promote drug resistance. Red ribbon week was suggested with suggestions from the student council. A speaker was suggested and parent members reported that these are the things their students come home and talk about. Admin reviewed what we already do (advisory and policy presentations).

Next Month's Agenda:

Trust lands budget (show video on origin of trust lands)

Counseling will update on red ribbon week
